

Valentine's day in UMBRIA

One of the smallest regions of Italy, Umbria is right in the center of the peninsula and is known for its landscapes, traditions, history, culinary delights, artistic legacy, and influence on culture.

The most famous monument is the Saint Francis Cathedral in Assisi.

Rome FCO is the closest international airport. It is 202km from Perugia, the main city. Perugia has its own airport which serves the area.

Did you know that...
Umbria, thanks to its position and its green hills landscapes, it's called "the green heart of Italy"?

Curiosity

Saint Valentine is the patron saint of Terni. History has it that the Saint pacified a couple who was fighting, giving them a rose, thus becoming the patron saint of lovers.

Perugia is home to the company "Perugina", one of the most famous chocolate factories in Italy. Perugina's most famous product is the "**Bacio Perugina**" (= Perugina kisses). In the wrapping of each chocolate you will find a small card with a sweet love quote.
