**MAURITZ MINNY,
MANAGING DIRECTOR**

Mauritz started his travel adventures in 1998. He established and grew some of the country's leading tour agencies specializing in the fields of education, heritage and sports travel to and from South Africa exploring international destinations. Strategic thinking, undeterred focus and evolutionary vision permitted him to build two of the most recognized names in the travel industry, now spearheading BEAL Travel. The agency's original focus specializing in organizing youth, school tours for various sporting codes and leisure activities expanded, offering cultural and academic enrichment tours to a wide range of destinations including Europe, North and South America, Asia and Australasia and the United Kingdom. Mauritz's enterprises also offer youth groups abroad opportunities to participate in social responsibility activities within communities in South Africa. Successful track record of more than 1000 satisfied groups exploring international tours.

**CHRIS BASSON
PREFERRED TOUR GUIDE**

Having studied Wines, working at the oldest wine estate Groot Constantia allowed him to offer Exclusive Connoisseur Wine Tours and Tastings, especially to those that have a bit more appreciation for the Wonderful Vine. Wine Tastings is his specialty and consist of the Tasting of Exclusive Wines at Private Venues and enjoying some Bubbly in the Vineyards with a little bit of Viticulture. He is a Professional Qualified Guide Registered with the Department of Tourism and prides himself in delivering Tours of High Quality and Excellence, offering Wine Tours-Peninsula Tours-Garden Route Tours.

**GEORGE DE BEER
OPERATIONS MANAGER**

George's enthusiasm for travel was sparked during his two-year residence in the UK, where he extensively explored Europe and the UK. Immersing himself in cultural festivals and events such as Pamplona's Running of the Bulls and the Rugby World Cup 1999 and participating in renowned exhibitions like the World Travel Market has collectively enriched his professional journey in the travel industry spanning over 21 years. With a background in Sport Management, George has been actively involved in the travel sector since 2003. His steadfast belief is encapsulated in the sentiment, "There is no experience in this world that compares to the experiences you gain through global travel."
