

BALKANS AND SOUTHEASTERN EUROPE – MORE THAN SUMMER & ADRIATIC

Autumn/Winter 2026/27 & Expo 2027

Dear travel professionals,

The coming months offer many good reasons to include the Balkans in your program: **MacSun Travel** has put together suitable **travel ideas for the turn of the year, the Advent season and flexible winter stays**. In addition, **EXPO 2027 in Belgrade** is a strong event for the travel period from May to August 2027, which can be offered as a city trip or as part of a round trip through Serbia.

You will receive ready-made programs that can be adapted to your target group. Whether festive New Year's Eve, atmospheric Christmas markets, wellness by the sea or a visit to the Expo, MacSun Travel supports you in planning and creates an individual offer on request.

Which travel idea fits your program? Please feel free to contact us.

Kind regards,
your team from MacSun Travel

Discover

Serbia with EXPO 2027

From May 15 to August 15, 2027, Belgrade will become an international meeting place for sports, music and creative ideas. Under the motto "Play for Humanity – Sport and Music for All", country pavilions, interactive installations, live performances and thematic events invite visitors to discover and participate. The EXPO is therefore much more than a classic trade fair visit: a varied experience for different target groups that can be ideally combined with a city trip or a round trip through Serbia.
